POST-RECORDING ORGANIZATION AND SHARING – Embedding in Brightspace

- **STEP #1**: Under the content where you want the recording to appear, select existing activities.

- **STEP #2**: Click on the TechSmith Relay Option at the bottom.
POST-RECORDING ORGANIZATION AND SHARING – Embedding in Brightspace

**STEP 3:** Click on Add Media next to the thumbnail shot of your recording or you may need to open a folder if you added the recording to a folder. Note you can also add an entire folder of recordings as well.

**(OPTIONAL)** Add all recordings from a folder.
