

POST-RECORDING FEATURES – Linking In-Video Quizzing with Brightspace Gradebook

➤ **STEP #1:** Start by clicking on the link to the recording in Brightspace.

➤ **STEP #2:** Go to Activity Details located below how the recording appears in Brightspace. Note you may need to scroll down if you are using a smaller laptop screen.

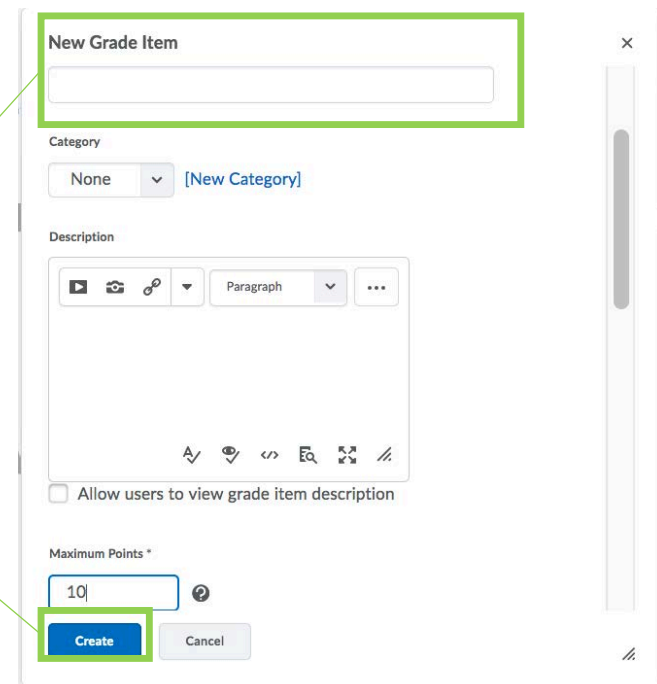

POST-RECORDING FEATURES – Linking In-Video Quizzing with Brightspace Gradebook

- **STEP #3:** Click on the plus sign below Assessment to add a grade item in the gradebook to link the in-video quiz to.

The screenshot shows the 'Activity Details' tab in Brightspace. In the 'Assessment' section, there is a dropdown menu currently set to 'No Grade --'. Below this menu is a blue square button with a white plus sign (+), which is highlighted by a purple box. To the right of the plus sign button are 'Save' and 'Cancel' buttons. A green arrow points from the plus sign button towards the 'New Grade Item' dialog box shown in the next screenshot. The 'Required' dropdown is set to 'Automatic' and the 'Add dates and restrictions...' field is empty. The page footer indicates 'Last Modified 12/11/2017 9:43 AM'.

- **STEP #4:** Enter a title for in-video quiz grade item. Select other settings if needed. Hit create and then save below Assessment.

The 'New Grade Item' dialog box is open. The title field at the top is highlighted with a green box. Below the title field is the 'Category' dropdown set to 'None' with a '[New Category]' link. The 'Description' field is empty and has a rich text editor toolbar above it. At the bottom, the 'Maximum Points *' field is set to '10'. The 'Create' button is highlighted with a green box. A green arrow from the plus sign in the previous screenshot points to the top of this dialog box.
